**“I understand that not everyone who auditions for the 2019-2020 Symphonic or Chamber Orchestra will be able to be placed in the group. If I am not selected this time, I will remain a dedicated orchestra member next year and will work toward becoming the best musician that I can be. I understand that Ms. Fortune will need to make some tough decisions based on these auditions, but I ultimately will respect the final decision she makes as she considers a complete and balanced instrumentation for the Symphonic and Chamber Orchestras.”**

**“I understand that if I am granted a position in Symphonic or Chamber Orchestras that there are numerous performance and rehearsal obligations throughout the year that will require evening attendance, time out of school, and possibly regional and out-of-state travel. By accepting a position in one of these two ensembles, I am committing to keeping on top of my other academics AND the ensemble’s requirements; regardless of other extra-curricular events I may participate in such as sports, Youth Symphony, or music lessons.”**
